Conference writing guideline

Bangla Handwritten Character Recognition Using Directional Pattern

Abstract:
- Summary of whole paper within few lines.

Introduction:
- Problem statement and its prospect. Add literature review of recent papers. Finally contribution of your paper.

Directional Pattern:
- LDP
- GDP

Proposed method:
- Steps

Experimental Analysis and Discussion:
- Dataset
  1. sample images from dataset
- Result Analysis
- Table:
  1. class wise result for different zone using LDP and GDP
  2. result with different classifier
  3. comparison with other methods

Conclusion:
- Summarize the contribution and future plan.

Note:
- Start working in sharelatex (a website). Open an account and share the username and password among ourselves.
- Use IEEE Conference Template.
- Finish the writings writing 4-6 pages.
